# WHISKEY OF THE MONTH

## WhistlePig 12 Year Old

Wine Cask Finished Straight Rye Whiskey, abv. 43%

Say what you want about the rebellion of 1776, theres some mighty fine whiskey been produced on those shores in the time since.

This month we've got a unusal mix of Canadian produced Rye finished in a trio of wine casks over in Vermont. This departue from traditional American ryes has bursts of melon, honeydew and floral notes underpinned by a classic hit of wood spice.

The result is a delicious whiskey that is lighter, more tropical and dare I say more refreshing than a traditional rye.

*Cheers!*

£7.8 (25ml)

Usual Price £23.96

We have a new Whisky of the Month every month - always at a ridiculously low price. Whisky is for drinking, and theres one out there for everyone, so we hope you find yours.

***Wines of the Unexpected:*** There are some incredible wines being made outside of the traditional wine producing regions that are redefining what great wine can be.
